

Willamette Motor Club

General Meeting Minutes

Date: Thursday, December 17, 2009

Start: 7:31 p.m. End: 8:22 p.m.

Introduction of the Guests: Matt, Eddie, Melinda

Approval of the minutes: forgot the batteries, sensors, and Chris's comment on not doing timing and registration. Updated and approved!!

Attending Members: John Harris, Bob Kramer, Mike Grant, Paralee Grant, James Harris, Stephanie Harris, Barry Warren, Jeff LeClaire, Charles Cope, Tim Maloney, John Harris, Ryan Davis, Eric Jennings

Committees Information / News:

Website: We need to remove or update the go-karting invitation since it is old.

Autocross: James and Charles went to the fairgrounds and May 29-30 and June 13 are our dates. We need to decide if we are gonna use the double for a GymKhana. It was suggested that we ask at the first autocross. Maybe we could use Albany. Maybe we should wait to have the GymKhana until we find a good site and test the waters with people's interest. We need to consider camping and lodging for long way travelers. Can we camp at the fairgrounds? Its possible that the noise level may discourage people from coming to a double in Albany. Charles says there is a noise limit at all sites.

It is possible that James' friend on Carfreeks can get us the site at Willamette University. They also want to co-chair an event with an experienced member.

Chair Volunteers:

March 28- James Ryan McKay

April 25- Jeff Tim McKay

May 29-30- Paralee Stephanie Fairgrounds

June 13- Mike Bob Fairgrounds

Aug 29- Albany

Sept 26- McKay

Hillclimb: James' dad is testing for frequency and we need 100 Mhz and we are running one. James says we need to be positive this will work, so his dad says he will build it himself.

Old Business: Halloween not many showed up but it was fun! The food drive was great. There was a slight over-calculation. They were very pleased to have the food and the check. Connie brought in business cards which are wonderful, and also discussed the window stickers. It was suggested that we add the coat size on the registration so we can use a jacket as a prize at the end of the year.

New Business: Jeff was contacted by someone at Roberts alternative high school about a sponsorship for mentors to assist with working on cars out of their own home. Anything we can contribute as far as parts or money would be appreciated. Jeff will bring in the paperwork for it next month.

Bob brought up having a swap meet. Where would we do it and how? What does it involve? We need to review insurance to see if it's allowed.

Announcements: Mild Wild swap meet in Albany is the first weekend in Jan.

Swap and Sell: James' Vee

Door Prize: none

Next Meeting Location: Round Table in Keizer
