

## **Willamette Motor Club**

### **General Meeting Minutes**

**Date: Thursday, June 17<sup>th</sup> 2010**

**Start: 7:30 p.m. End: 8:22 p.m.**

**Introduction of the Guests:** none

**Approval of the minutes:** yes

**Attending Members:** James Harris, Stephanie Harris, Frank Fields, Connie McIntire, Mike Grant, Paralee Grant, Charles Cope, Chris Davie, Chris Wilcox, Adam Jennings, Eric Jennings and Paul Homewood

#### **Autocross:**

- Good job to the chairs of the last 3 events! There were 63, 61 and 56 attendees at each of them.
- Yearly tech has been put into place and it is a success. It's cut down on the tech line dramatically.
- Paul suggested the old Albertson's parking lot on South Commercial. James said its \$600 a weekend and the store next to it won't cooperate with exits and parking. Paul is going to make a call since he has a contact.
- Charles found out that McNary would be ok but there are lots of speed bumps and it's sloped. Willamette at Mission St. is decent sized, but the lot is narrow at one end. He hasn't heard back from the guy at Colburg.
- Connie is going to check with the realtor for the empty car lot in Woodburn to see if that would be a possibility. She also suggested putting an ad on Craig's List for new sites.

#### **Hill Climb:**

- Charles has both of the permits needed for the Hill.
- Timing is still an issue. An amplifier is not an option because it is a frequency hopper. What we have right now will not work for the hill. How much more money do we want to throw at it before we give up and just use the old system?
- Unfortunately, the Nestucca Fire Department burned down a few weeks ago. They managed to get all of their equipment out, but the building is destroyed.

#### **Old Business:**

- Drive-ins are tomorrow June the 18<sup>th</sup>. We are meeting at the Mission St. K-Mart at 4:30 and leaving at 5:00.
- The drive in July needs to be re-scheduled because of a scheduling conflict.
