

2017 Willamette Motor Club wine tour

Sunday, November 26, 2017

Skip the turkey sandwiches and join us for WMC's annual wine tour on the Sunday afternoon after Thanksgiving.

Each leg of the tour will involve some kind of contest. Points will be awarded and the top three teams will receive prizes.

We will start in West Salem and visit four wineries in Polk and Yamhill counties. Tasting fees are becoming more expensive each year, but this tour is designed to give you maximum bang for the buck. The tasting fee often includes hors d'oeuvres and is often credited against the purchase of a number of bottles of wine. Wine makes excellent holiday gifts so you may be able to get started on your Christmas shopping.

The tour will begin at **NOON, SUNDAY, NOVEMBER 28**, with a visit to **Redhawk Wine Cellars at 2995 Michigan City Lane NW, Salem**. From downtown Salem, take the bridge to West Salem and stay in the right lane to get onto Wallace Road, go 3.2 miles and take Michigan City Lane on your left. The winery is at the end of the road.

Feel free to invite non-members who may enjoy the event.
